

COPPINWOOD

Greens Department

Seeks **Student Interns** and **Recent Graduates** for the 2014 season.

Coppinwood Golf Club is offering an internship program to a turfgrass management student or recent graduate. Coppinwood, designed by Tom Fazio, a world-renowned golf course architect is scheduled to open in June of 2006 and is located in the township of Uxbridge. Coppinwood has been developed to be the premier private club in Canada, with a limited membership and our goals are to continually exceed our members' expectations.

Coppinwood is an 18-hole golf course, an incomparable facility, which includes: a driving range, short game practice facility, putting greens and three additional practice holes.

With an emphasis on course conditioning, Coppinwood Greens Department is offering the following:

- Chemical and fertilizer applications and calibrations;
- Water management;
- Small crew management;
- Irrigation repair and troubleshooting;
- Drainage;
- Construction projects;
- Mowing, etc.

Applicants must have a degree, certificate or be enrolled in a turfgrass program at a reputable institution.

Coppinwood is searching for people with great attitudes, a willingness to learn and a desire to make Coppinwood the premier course in Canada. Applicants must be able to handle a great deal of responsibility and have the goal of becoming a Golf Course Superintendent. Expect 40+ hours/week.

Contact Information:

Scott Pratt
Golf Course Superintendent
Email: scottp@coppinwood.com

Applicants must include with resume a cover letter and at least 3 references with current contact information.

Only those considered will be contacted for an interview.
