

**ARE YOU SEEKING A CAREER WHERE,**

- ⇒ Your skills are appreciated
- ⇒ There are opportunities for advancement
- ⇒ Competitive wages are offered
- ⇒ You can upgrade your skills

**WALTER'S LANDSCAPING** is a leading design-build company located in Stouffville. Since 1954 Walter's has been engaged in creating and maintaining Toronto's finest residential gardens. We are currently expanding our departments and accepting applications for:

**Landscape Designer**

*Applicant must have experience in residential design, with a good knowledge of plant material, landscape construction, computer design skills, good public and sales related experience. This individual will work under the direction of the design team, spending the majority of their time designing and a small portion on the job construction site.*

Walter's offers competitive wages, incentive reward programs, medical benefits, on-site training, apprenticeship programs and opportunity for promotions and advancements.
