

Greenhouse Grower

Freeman Herbs is currently looking for a full-time Grower to join our team. The Grower is responsible for managing a diverse crop of conventional and organic herbs.

Responsibilities Include:

- Plan and oversee planting and crop maintenance
- Coordinate with Head Grower and other growing team members to continuously improve quality and eliminate waste
- Maintain IPM program
- Maintain crop, shrink and spray records
- Supervise small team of labourers

Skills and Qualifications:

- Horticulture diploma and 3-5 years of experience
- Working knowledge of Argus
- Valid spray/pesticide licence
- Self-motivated, demonstrated leadership skills
- Willing to be on call, work weekends when necessary

Resumes can be submitted to catherine.harrison@hendriksgreenhouses.com. Please visit our website at www.freemanherbs.com for further information on our growing company.
