

Grow with us in 2015! Landscape Technicians Let your future take root!

Recognized by Landscape Ontario with Awards of Excellence for our work, Landscapes By Lucin is dedicated to providing clients with compelling, creative landscape design.

Based in Toronto, our business is growing, which is why we're looking for energetic, versatile, self-motivated field staff to join our team.

Why choose Landscapes By Lucin?

The answer is simple. We truly believe that when it comes to delivering exceptional work and outstanding customer service, our employees are the reason behind our success. That's where we stand out – we consider our employees to be our partners, and we prove it to them every single day.

The resources and guidance to help you reach your full potential. You can count on it.

- We will train you – and continue to make learning a priority.
- We'll work with you to create a career path based on your strengths, giving priority to your preferences.
- We offer a variety of roles keep your work day interesting and motivating.
- Incentive plans and a signing bonus.

This year, "grow further" in your career by partnering with an employer dedicated to investing in you over the long term – a company that encourages teamwork and rewards initiative.

If you have previous landscaping, stonemasonry, carpentry or general construction experience, we'd like to hear from you!

We are rooted in growing our business – and providing opportunities for your professional growth and development.
