

Natural Elements is an award-winning landscape and property maintenance company based in Oakville. We are adding crews this season and require **Crew Leaders** for both lawn and garden maintenance teams. We are looking for students with 1-2 years experience in the industry to fast-track into leadership roles for 2017. **\$19/hr to start.**

Why work with us?

- ✓ **Immediate leadership opportunities** - We are a small firm that's growing quickly. No waiting in line like at the larger companies. New advancement opportunities every season.
- ✓ **We are expanding into new services every year** – Grow your career in the direction you want. We will grow around your interests if they match our clients' needs.
- ✓ **We do top-notch work on high-end properties in Oakville** - The work is satisfying and rewarding. Lawns, planting, pruning, trees, annuals, new garden builds, makeovers etc.
- ✓ **Our employees matter** - We have fun at work and value creativity and autonomy. We don't work weekends or holidays, we invest in our people. Our team loves coming to work.
