Plant Health Care Coordinator

Full time position

Arborvalley Urban Forestry Co Inc is a Newmarket based company committed to tree health care. We have been and are currently using methods that are not only researched in the industry by leading scientists and arborists worldwide, but are also personally proven by methods that have been time tested. Our company has a wide recognition for the quality of work in all facets of tree care. We are a small company, and pride ourselves on customer satisfaction.

We are currently looking for a well-organized and knowledgeable individual to look after our Plant Health Care division and ArborCheck™ program. We are looking for someone who is able to work in a supervisory position and has good interpersonal skills.

Qualifications:

- Forestry exterminators license and landscape exterminators license a must
- ISA certified preferred
- Clean driving record
- At least 3 years working experience as a plant health care technician
- Knowledge of tree/shrub pests and disease
- Tree and shrub identification skills
- Works well alone as well as in a team environment

Duties include:

- Diagnosis of tree and shrub problems
- Prescription of treatments
- Application of treatments
- Customer relations and sales
- Site visits and on site meetings with clients
- Training and supervising technicians
- Small tree and shrub removal

Benefits for all full time employees available after initial probation including: dental, medical, sick days, training, seminars, and education and equipment allowances. Most PPE provided.

We average a 40-hour work week, Monday to Friday. Hours change depending on the season.

Wages will be discussed with successful applicants and are dependent on experience.

Please forward a cover letter and resume or any questions to Ruurd van de Ven at info@arborvalley.ca or call the office at (905) 773 - 7912.
